

Breed Standards for the Cairn Terrier

General Appearance and Coat:	Its weather-resistant coat consists of a soft, close undercoat and a profuse, harsh outer coat
Head and Neck:	Eyes sunken, with shaggy eyebrows, skull broad, well-defined stop, ears are small, pointed, erect, set wide
Hind Quarters:	Level back of medium length, tail carried gaily but not curled over back
Special Characteristics:	Any color but white; dark ears, muzzle, tail tip desired
Temperament:	It is plucky, spirited, bold, inquisitive, hardy, clever, stubborn, and scrappy
