

Breed Standards for the English Pointer

General Appearance:	The Pointer combines athletic grace and power with a lean, muscular body, noble head, alert expression, and noble carriage.
Head:	Square, deep muzzle; nose slightly higher at tip than at stop; Long head with pronounced stop; Rounded eyes; Thin, soft, hanging ears, somewhat pointed at tip
Tail:	Tail tapering, straight, carried near the line of the back
Color:	Liver, lemon, black, orange, either solid or mixed with white
Size:	Weight: male: 55-75 lb; female: 45-65 lb Height: male: 25-58"; female: 23-26
Gait:	Smooth and powerful. Tail lashes from side to side when the dog gaits.
Temperament:	Gentle and sweet but may be too energetic and boisterous at times for very small children
