

Breed Standards for the Lowen

General Appearance:	A compact small dog, very slightly longer than it is tall, with strong, sturdy – but never coarse – bone.
Tail:	Set high and carried in a cup-handle.
Color:	Any colors or combinations
Size:	Weight is 8 - 18 pounds; Height is 12 - 14 inches.
Temperament:	This is a lively, inquisitive, affectionate dog. It is a mixture of playful spirit and calm soul mate, a good companion for a quiet family.
