

Breed Standards for the Smooth Fox Terrier

General Appearance:	Square proportioned, standing over a lot of ground but with a short back
Head:	Skull flat and moderately narrow, head 7 – 7.25"long; Rather small, deep-set round eyes; Small, V-shaped ears, dropping forward with fold above skull level
Tail:	Tail set high and carried gaily, but not over back or curled; about one fourth docked off
Color:	White should predominate (brindle, red, or liver markings are objectionable)
Size:	Weight: male: 17 – 19 lb; female 15 – 17 lb Height: male: should not exceed 15.5"; female: smaller
Gait:	White trotting gets most of its propulsion from the rear quarters
Coat:	Flat, hard, and dense, also with a short, fine undercoat
Temperament:	Energetic, inquisitive, bold, feisty, playful, mischievous, independent, and adventurous
