

## **Breed Standards for the Soft Coated Wheaten Terrier**

General Appearance:	Square-proportioned, graceful, and strong, not exaggerated in any way
Head:	Medium-sized, slightly almond-shaped eyes; Head appears rectangular, powerful; Ears fairly small, breaking level with skull
Tail:	Docked, carried gaily but not over back
Color:	Any shade of wheaten
Size:	Weight: male: 35-40 lb; female: 30-35 lb Height: male: 18-29"; female: 17-18"
Coat:	Its abundant, soft, single coat distinguishes it from all other terriers. It is long and silky with a gently wave
Gait:	Its gait is free and lively with good reach and drive
Temperament:	It is affectionate, congenial, and much gentler than most terriers
