

Breed Standards for the Whippet

General Appearance:	The Whippet is among the sleekest of dogs, with a curvaceous, streamlined silhouette, long legs, and a lean physique
Head:	Long lean skull with scarcely perceptible stop; Small folded ears
Tail:	Long tail carried low
Color:	Immaterial
Size:	Weight: 20-40 lb; Height: male: 19-22"; female: 18-21"
Gait:	Low and free-moving
Temperament:	Perhaps the most demonstrative and obedient of the true sighthounds, the Whippet makes an ideal pet for people who want a quiet housedog and absolutely devoted companion
